

SurfaceView

Callback

com.securics.wildlifecapture.CameraPreview

```
classDiagram
    class SurfaceView
    class Callback
    class CameraPreview["com.securics.wildlifecapture.CameraPreview"]
    CameraPreview <|-- SurfaceView
    CameraPreview <|-- Callback
```

The diagram illustrates a class hierarchy where `com.securics.wildlifecapture.CameraPreview` is the superclass, and `SurfaceView` and `Callback` are subclasses. This is represented by two boxes at the top labeled `SurfaceView` and `Callback`, and a box at the bottom labeled `com.securics.wildlifecapture.CameraPreview`. A horizontal line connects the two top boxes, and a vertical line descends from its center to the top of the bottom box. From this vertical line, two arrows point upwards to the bottom of the `SurfaceView` and `Callback` boxes, indicating inheritance.
